

October 1, 2014

Dear Valued Customer,

Our records indicate that your company has purchased a Racal Instruments™ 2367 System Timing Module during the last 6 years. The item you purchased may have been branded as Racal Instruments™, EADS North America Test and Services or Astronics Test Systems.

The Racal Instruments™ 2367 System Timing Module shown below was introduced in 2008 and is now transitioning to mature status.

2367 System Timing Module Transition to Mature Status with a Last-Time-Buy Program:

<u>Part Number</u>	<u>Model Number</u>	<u>Description</u>
408054	2367	VXI bus System Timing Module

Mature item listed above will phase to obsolete status without further notice when existing component supplies and inventory are depleted or March 1, 2015, whichever occurs first. Once obsoleted, we regret that production orders will no longer be accepted. Customers interested in the last-time-buy program should immediately notify their Astronics Sales Representative with their forecast requirements, and place their order as soon as possible. Orders for mature items are addressed on a first come, first served basis and are subject to available supplies. Order acceptance is not guaranteed until confirmed by Astronics.

Available Service, Calibration, Repair and Support for 2367 System Timing Module:

Full service, calibration, repair, and customer support will remain available for the 2367 product(s) for a target of 5 years from the date of obsolescence, provided that the components required for the repair remain available. Once components required for repairs are no longer available, service is provided on a best effort basis. For questions regarding Customer Support, please email atshelpdesk@astronics.com or call 1-(800) 722-2528.

Suggested Replacement:

A direct replacement for the 2367 is available- the 2367A. However, due to the development status of the 2367A, it is available only on a Factory Quote basis at the current time.

<u>Part Number</u>	<u>Model Number</u>	<u>Description</u>	<u>Replacement Notes</u>
408054-S-2825	2367A	VXI bus Trigger/Timing Distribution Resource Module	Please contact an Astronics sales representative in order to determine if a 2367A can be used replace your 2367

Customers are encouraged to discuss Astronics' current offerings of VXI Trigger/Timing Distribution Modules with an Astronics Sales Representative.

We regret any inconvenience this may cause. We have a team of instrumentation application engineers, and ATE integration specialists available to assist in providing state-of-the-art instrumentation solutions to meet your test needs.
