

**Release Notes  
ATLAS Compiler  
Version 3.23.28 (20061121)  
21 November 2006**

The following describes an overview of changes included within version 20061121 (3.23.28) of the following ATLAS support tools:

Signal Resource Allocator

1.1 Enhancements

1.2 Problem Reports

06-075 - Unreported unresolved signals

Under certain circumstances, error messages were not being issued for unresolved signals. The Signal Resource Allocator has been modified to correctly issue error messages when there are unresolved signals. An "AllocInp" file was previously provided to allocate the signals with conflicts.
